

Help us to make your donation go further

I want Action Cancer to reclaim the tax on my donation(s) and confirm that I have paid at least 25p UK income tax or capital gains tax for each £1.00 I have donated under Gift Aid.

This means for instance that every £10.00 raised becomes £12.50 – at no extra cost to you! Just think what a difference that can make.

By completing this form you are confirming that:

- You are a UK taxpayer (you must have paid an amount of income or capital gains tax (VAT and council tax do not qualify) at least equal to the tax that all charities and CASCs that you donate to will reclaim on your donations in the appropriate tax year)
- You wish Action Cancer to act as your agent in selling the goods you have brought into the shop.
- You wish Action Cancer to claim tax on all donations you have made 4 years prior to this date and from this date forward for all future donations.
- You are not acting as a business in bringing goods in for sale to any of the shops belonging to Action Cancer.

Any goods which cannot be sold will be recycled and cannot be returned to the donor. We reserve the right to terminate this agreement at any time.

For completion by donor

Protecting your personal data

Before we make any Gift Aid claim Action Cancer will write to you to inform you of the money raised from the sale of your donations once sufficient items have been sold. You can then choose to retain or donate those proceeds to Action Cancer.

There may also be times when we want to keep you informed of the work of Action Cancer. If you do not wish to receive this additional information please tick this box
